

# 2025 Master Brewers Ontario District Joel Manning Memorial Scholarship

## Memorial Scholarship

In memory of Joel Manning, a brewer, long-time promoter of MBAA and member of the Education Committee.

The MBAA Ontario District is offering the Joel Manning Memorial Scholarship to any of the MBAA courses that are available in virtual or hybrid format. Virtual courses are sometimes fully on-demand and sometimes involve live virtual class sessions. Hybrid courses combine virtual and in-person instruction for interactive learning experiences.

Visit [MBAA website](#) for the currently available courses.

Other scholarships are available for select courses from Master Brewers National and individual districts. Further information can be found at [mbaa.com](#). However, the eligibility for the Ontario District Memorial Scholarship is slightly different (see chart).
